## Northern Manitoba Trappers Festival

Your application for accreditation as an IFSS World Cup event in the season 2015-2016 has been approved.

The Northern Manitoba Trappers Festival Championship Dog Sled Race event to be held at The Pas, Manitoba, Canada from February 17th to 20th, 2016, is now accredited as an IFSS World Cup Event.

As a condition of approval, results of all competitors, in excel format, and including current DID numbers, should be forwarded to the Accreditation Committee Chairperson at [vp.sport@sleddogsport.net](mailto:vp.sport@sleddogsport.net) within one week of the event.

Only competitors with a valid DID number will be able to earn points in the World Cup Point score at this event.

Your event will be uploaded onto the IFSS website as soon as possible. Please forward any logos to be included with the race information to be uploaded to the website if it has not already been forwarded.

Congratulations. We wish you all the best for a successful event.

Regards

*Anne McIntyre*
